

FCB-Possession - In Game Condition

Set up a half field game with the following condition: 10 minute sets. When your team is leading, you must keep possession. When the score is tied, or when you are behind, then you look to score. Objective: Can your team score the first goal and then play out the 10-minute set.

Coaching points: When in the lead, take care of the ball. Make the field big, move the ball, and take time off the clock. Soccer smarts!
