

FCB-Possession #10: Half field game. Play 7 minute games. The player that causes a turn-over in the build up must pressure the ball. His teammates must sprint back to their goal, then get back in position. The team that won the ball after the turn-over must string 3 quick passes (different players) before they can go to goal. Coaching points: Take responsibility when in possession. Don't be the one that causes the turn-over.
