

FCB-Finishing #6:

This is a 2 vs 2 game. You knock the other team off the field when you score, or when the ball gets behind their end line. If you take a shot and it misses, you chase. The incoming team then has a 2 vs 1. This is a fast and competitive game where players on the outside have to be alert and be ready to get into the game. You play for a set time or play up to a certain amount of goals.
