

FCB-Finishing#5:

Red player #1 plays a ball into the Yellow keeper and both Red players #1 step on the field. Yellow keeper distributes to Yellow players #1 and there will be a 2 vs 2 situation. Game ends when a goal is scored or when the ball goes out of bounds. Red player #2 then plays in the next ball and the next 2 vs 2 game begins. Play a 4-5 minute game then rotate. You can use this same organization and create a 3 vs 3 situation.
