

### FCB-Finishing - Shoot, Keep, Retrieve

Set two full-size goals about 22 yards apart (maybe a bit closer for the younger players). Red player #1 touches the ball, takes the shot, then gets ready to make a safe. Yellow player #2 makes the safe and gets out of the goal. Yellow player #3 touches the ball, takes a shot and gets ready to make a safe on red player #4. Players keep cycling through. This is a fun, quick game which works on finishing.
