

FCB-Finishing#1:

Organization: Area - two penalty boxes. Two full-sized goals plus keepers. Three teams of 4 players. Two teams play, the team that is 'off' plays as targets along the end line. Targets only have one-touch and always play on the team that has the ball. You can play timed games, or first to 2 goals. You can have the winners stay, or rotate through where you play two games and play as a target for one game. Within this organization you can add various conditions such as; touch restrictions, ball must be played to a target, shots from outside the penalty box, etc. Be creative!
