

Bumps, Bruises & Concussions Clinic

Athletics beating you up? We'll help you get back in the game.

Boulder Center for Sports Medicine is offering a **Bumps, Bruises & Concussions Clinic** to assess *new injuries* that need to be evaluated for safe return to play, available at both Boulder and Lafayette locations. You may call ahead and schedule, or just show up.

We will do our very best to work in all of our walk-in patients.
As a part of Boulder Community Hospital, we accept most insurances.
Let our sports medicine experts help get you back in the game.
