

2018-19 Futsal Leagues

Two Formats, Two Seasons...

For the 2018-19 Winter season, the SPC will provide two different formats and two different seasons to help accommodate as many players in the Northwest Metro area as possible.

"**Friday Night Futsal**," is designed for the individual player looking for more touches outside of his or her team setting. Players will be grouped by age and gender and the format will resemble an organized pick-up. Players will be assigned to a team of 5-6 players, play a 20-minute match, then repeat for another 20 minutes. The registration fee per player is \$50 covering a 6-week season.

"**Futsal Leagues**," a more traditional league approach, will play on Saturday afternoons with matches between 12:00-5:00PM. The registration fee per team is \$400 for a 6-match season.

The seasons for both Friday Night Futsal and the Futsal League will run over the following dates:

Season 1- November 10th- December 21st (*No games on 11/24 for Thanksgiving*)

Season 2- January 5th- February 23rd (*No games on 1/19 for MLK Jr. Weekend and 2/16 for Presidents' Day Weekend*)
