

# FC BOULDER Monthly

## **Development Academy – 2018 November** **Director: Jeff Frykholm**

After a bye weekend to start the month, October saw the DA program return to action with matches against Colorado Rapids, Pride, and Colorado Rush. In all three fixtures, the boys performed well, and are indicating good signs of growth and development both at the team and individual levels.

Around the corner, the U13 and U14 teams will travel to San Diego the first weekend of November for the DA Showcase event. The U13's are lined up with matches against four DA programs from the State of Washington. And the U14's have a tough schedule that also includes opponents from Washington, as well as FC Golden State, one of the top clubs in California. Good luck to the DA boys in San Diego!
