Boys Competitive Program – October 2018

Director: Kyle Lineberger

Assistant Director: Dave Carver

The fall season is off to a great start as our teams are showing great signs of development, which has carried over into some fantastic on field success. The coaches and players are working hard and enjoying themselves, and this can clearly be seen in the play that our teams are showing on the weekends. Overall, it's one of the best starts to a fall season in my time at the club.

A number of teams enjoyed tournament success early this season as they prepared for league play. At the Player's Cup in August, four teams reached the finals (07B White, 06B Elite, 05B Elite, and 05B Premier) with 05B Elite and 06B Elite taking home championships.

A weekend later at Arsenal Cup, two more teams reached the finals, 08B Cardinal and 05B Premier. Both narrowly missed out on championships but played extremely well over the course of the weekend.

As we near the mid-point of the league season, all of our teams are showing progress and competing well in their respective leagues. Our entire staff is looking forward to continued improvement and a great finish to the fall season.

On the local high school soccer front, several FC Boulder coaches are leading their respective high school teams to great seasons so far. Coach Tony Romano (07B White) and his Legacy HS boys are ranked #4 in the current CHSAA poll with Coach Hardy Kalisher (07B White) and his Boulder HS Panthers taking the #1 spot. In addition, Coach Jeff Frykholm (06B DA) and his Fairview HS Knights are ranked #3 and heading towards the playoffs.

We will be hosting Boys' High School Player Placement in October and November at the Pleasant View Soccer Complex. These placements are to form Spring teams for all boys born 2000-2004. There will be informal pre-placement kick-arounds on Sunday, October 14 and Sunday, October 21 with the official player placements taking place on Sunday, October 28 and Sunday, November 4.
