Sports Performance Center – 2018 December **Director: Fields Brown**

The Winter Season has arrived at the Sports Performance Center! Our Friday Night Futsal League is off to a great start with over 100 players – mostly in the U9-U12 age groups – and feedback has been super positive. We are halfway through the first season of our Saturday Futsal Leagues with two, 6-team leagues filled with great competition and outside FC Boulder participation. The second season of both Friday and Saturday Futsal leagues will launch shortly after the New Year and we hope you will join us at the SPC!
